

### Parts List

| Part name                      | Quantity                                 | Unit price<br>AUD\$ | GST (if<br>Australia) | Total<br>AUD\$ |
|--------------------------------|--|---------------------|-----------------------|----------------|
| Anchoring eyes                 |  |                     |                       |                |
| Auto-start adjustment          |  |                     |                       |                |
| Cup support (inner)            |  |                     |                       |                |
| Cup support (outer)            |  |                     |                       |                |
| Cylinder (bore)                |  |                     |                       |                |
| Cylinder head                  |  |                     |                       |                |
| Cylinder support               |  |                     |                       |                |
| Cylinder support casing        |  |                     |                       |                |
| Diaphragm plate                |  |                     |                       |                |
| Diaphragm return spring        |  |                     |                       |                |
| Diaphragm rubber               |  |                     |                       |                |
| Drive pipe coupling            |  |                     |                       |                |
| Exhaust valve handle           |  |                     |                       |                |
| Gasket                         |  |                     |                       |                |
| Leather or rubber cup          |  |                     |                       |                |
| Main body                      |  |                     |                       |                |
| Main spring adjustment         |  |                     |                       |                |
| Nut                            |  |                     |                       |                |
| One-way valve – inlet          |  |                     |                       |                |
| One-way valve - outlet         |  |                     |                       |                |
| Piston rod                     |  |                     |                       |                |
| Priming plug                   |  |                     |                       |                |
| Spring centering plate         |  |                     |                       |                |
| Spring washer                  |  |                     |                       |                |
| Throttle (on/off and high/low) |  |                     |                       |                |
| Tube                           |  |                     |                       |                |
| Washer                         |  |                     |                       |                |
|                                | <b>Total price including GST (AUD\$)</b> |                     |                       |                |
